

MEMORANDUM of UNDERSTANDING
between
UNIVERSITY OF RIJEKA
and
HENAN POLYTECHNIC UNIVERSITY

In view of the significant contribution expected to be made by academic cooperation and student and faculty exchange programs between University of Rijeka and Henan Polytechnic University toward the progress of learning and the promotion of international understanding, it is agreed between University of Rijeka, represented by its Rector, Prof. Pero Lučin, and Henan Polytechnic University, represented by President ZOU Youfeng, as follows:

I

The aim of this agreement is to define the framework in which joint actions shall be taken by University of Rijeka and Henan Polytechnic University, to promote the exchange of persons, activities and experience in relevant areas of higher education and research. Specific details of any activity will be negotiated between the partners and shall be set forth in a bilateral Supplemental Letter of Agreement.

II

The objectives of this Memorandum shall include, but not be limited to the following:

- i. Both parties agree to jointly apply for and engage in international cooperative programs, especially in the field of finite element technology and its application.
- ii. Both parties agree to promote exchange of academic materials and other information.
- iii. Both parties agree to promote joint education of postgraduate students.
- iv. Both parties agree to promote exchange of researchers and faculty staff.
- v. Both parties agree to promote exchange of students.

III

This Memorandum is written in both English and Chinese with equal authenticity; it shall take effect for a term of five years from the date of signature by both institutions, it may be renewed or extended thereafter by mutual consent. This Agreement is subject to revision and cancellation by mutual consent at least six months in advance in writing given by either university to the other.
