

AGREEMENT
ON COOPERATION IN SCIENTIFIC RESEARCH AND EDUCATION

between

Tampere University of Technology (Tampere International Center for Signal Processing),
Tampere, Finland and
University of Rijeka, Faculty of Engineering, Rijeka, Croatia

Tampere University of Technology (Tampere International Center for Signal Processing), Tampere, Finland, represented by University Rector, Prof. Jarl-Thure Eriksson and Director of TICSP, Prof. Jaakko Astola (P.O. Box-553, FIN-33101, tel. +358 3 3115 2923, fax +358 3 3115 3817)

and University of Rijeka, Faculty of Engineering, Rijeka, Croatia represented by University Rector, Prof. Daniel Rukavina, and Dean Prof. Tonči Mikac (Vukovarska 58, HR-51000 Rijeka, Croatia, tel. +385 51 651 403, fax. +385 51 675 818)

based on the results of cooperation and obtained achievements have agreed to continue the joint investigations in the fields of digital signal and image processing and analysis.

This cooperation concerns:

- 1) exchange and spreading of scientific and research information and data relating to joint works;
- 2) preparation of joint publications and their presentation in Finland, Croatia and other countries;
- 3) assistance in searching for partners for scientific activities in Finland, Croatia and other countries;
- 4) exchange of educational programs and materials in digital signal/image processing and communications;
- 5) exchange of researchers, high-level specialists, PhD students, experts for different terms;
- 6) submission of joint proposals for obtaining grants from the International Funds.

The items not listed above, but which can appear in the future, should be discussed and agreed during the negotiations between the parties of this Agreement.

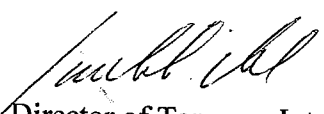

The list of Agreement items was prepared by responsible representatives of both sides in 4 copies in English; each side holds two copies. The Agreement will enter into force at the moment of its signing by responsible representatives of both sides.

Date: December 12, 2006

Rector of Tampere University of Technology
Prof. Jarl-Thure Eriksson

Rector of University of Rijeka
Prof. Daniel Rukavina

Director of Tampere International Center
for Signal Processing, Prof. Jaakko Astola

Dean of Faculty of Engineering
Prof. Tonči Mikac
