AARC DOCTORAL CONFERENCE UNIVERSITY OF RIJEKA DOCTORAL SCHOOL

University of Rijeka Department building – University Campus
Radmile Matejčić 2, HR-51000 RIJEKA, CROATIA
19th and 20th September 2019.

2nd CALL

At the end of May 2018, the University of Rijeka, headed by Madame Rector Snježana Prijić-Samaržija, took over the one-year presidency of the Alps-Adriatic Rectors' Conference (AARC). Within the AARC presidency, the University of Rijeka will organize the international AARC PhD. Conference on September 19th and 20th 2019 at the University of Rijeka Campus, University Departments buildings, room O-028, with the official beginning at 9:00.

It is an honor to announce that the co-organizer of the Conference is the prestigious Croatian Academy of Sciences and Arts, Department of Biomedical Sciences in Rijeka, Croatian Academy of Medical Sciences – Branch office Rijeka presented by the academician Daniel Rukavina, PhD, Professor Emeritus.

This year's Conference will present current topics in the field of *Innovative Technologies in Biomedicine*, where the distinguished plenary lecturers will present novelties in the field.

The official language of the conference is English.

Submission of abstracts are accepted until September 1st 2019 through the [online Submission Form](#) or *via* e-mail: doktorska@uniri.hr

Notice of acceptance of poster presentation will be delivered by September 10th 2019.

Admission is free, participants are kindly requested to complete [online Registration Form](#) or to apply via e-mail: doktorska@uniri.hr until August 31st 2019.

Head of Doctoral School
prof. dr. sc. Sandra Kraljević Pavelić
