

Erasmusland is a network of cultural associations for students aimed at those taking part in exchange programs. We are non profit organization created by the students from Naples and ex-Erasmus students. The aim of Erasmusland is to integrate foreign students in our city by supporting them and offering a large amount of activities in the field of culture and recreation. We are looking for new trainees to support our activities in Naples (Italy).

Duration: minimum 3 months

Each candidate must:

- have a scholarship as Erasmus+ or KA1 Programmes
- have a good command of English

The internships are designed to develop the skills such as communication, time management, problem-solving, flexibility and business administration. It's a great opportunity to work with an amazing team and gain a valuable life experience.

Our organization welcomes the interns with educational purposes and in particular to achieve their individual educational goals. If you are interested in agreement, please contact us!
