# UNIDESIGN – UNIVERSAL AND INCLUSIVE DESIGN FOR BETTER HUMAN ENVIRONMENTS

**WHEN? MARCH - MAY 2021**

**WHERE? University of Rijeka (MoD e-learning platform)**

**UniDesign** is a **free** multidisciplinary and interdisciplinary international educational programme on the topics of universal and inclusive design (topics of design, difficulty with mobility or perception, and related topics on quality of human environment) from the perspective of architecture, civil engineering, education, art, design, technologies, philosophy and cultural studies oriented to international participants of multidisciplinary profiles.

The programme is held online in English and is open for everybody interested in topics of universal and inclusive design (max. 35 participants). It is based on online lectures of renowned lecturers and practical assignments by participants.

During this programme, the participants will have an opportunity to learn from and engage with a variety of experts and representatives of users.
