

More mogućnosti  
~ More possibilities

We at Crossvallia are a technical service company for some of the largest networking and hosting companies in the world.

Covering support for several data centers and multiple networks across the globe, Crossvallia is constantly on the edge of new technologies, as well as improving customers services such as: Managed Server Hosting, Cloud Storage, Content Delivery Network and Co-Location.

Keeping all of our customers and their clients satisfied and having happy developers, researchers, technicians and operators is the reason why our mantra is "Whatever it takes!".

No matter what the problem might be, we always aim to provide a perfectly suited solution. We strive to offer the best service to our customers and their clients, and we believe that the only way this can be achieved is by providing our employees with the best tools and work environment.

Come join our team and experience what it's like to work in a tech-friendly environment, where you'll be able to improve your skills and contribute to solve first-class problems.

Crossvallia je tehnička servisna tvrtka za neke od najvećih mrežnih i hosting kompanija na svijetu.

Pružamo podršku za nekoliko podatkovnih centara i brojne mreže diljem svijeta, a Crossvallia je stalno na samom rubu novih tehnologija, kao i u stalnom unaprjeđivanju korisničkih usluga poput: *Managed Server Hosting, Cloud Storage, Content Delivery Network and Co-Location*.

Održavanje zadovoljstva svih naših korisnika i njihovih klijenata, kao i sreće naših programera, istraživača, tehničara i operatera, razlog je zašto naš moto glasi: „*Whatever it takes!*“. Bez obzira na problem, uvijek težimo pružiti idealno rješenje.

Nastojimo ponuditi najbolju uslugu našim korisnicima i njihovim klijentima, a vjerujemo da se to može postići jedino ako svojim zaposlenicima omogućimo najbolje alate i radno okruženje.

Pridruži nam se i doživi kako je raditi u *tech-friendly* okruženju, gdje možeš usavršavati svoje vještine i doprinositi rješavanju iznimno važnih izazova.
