

BIP

ERASMUS BLENDED INTENSIVE PROGRAMMES

WHAT IS BIP:

BIPs are short intensive programmes aimed at all students. They have a flexible format and use innovative learning and teaching methods, including online collaboration. They are a combination of physical mobility and virtual components. BIPs can be attended **in countries of the European Union, Norway, Iceland, Liechtenstein, Serbia, Macedonia or Turkey.**

DURATION:

Physical mobility can last from **5 to 30 days** (usually 5 days). The virtual component is not limited, and its duration is determined by the organiser (before, during or after the physical mobility).

ECTS CREDITS OBTAINED:

Students must obtain at least **3 ECTS credits** through BIP mobility. The receiving institution that organised the BIP is obligated to issue a transcript of records to the student after they complete the BIP.

FINANCIAL SUPPORT:

EUR 79 per day for mobility lasting 5–14 days, EUR 56 per day from the 15th to the 30th day
+ EUR 100/150 (depending on the duration of the BIP) for students with fewer opportunities (most common categories: low socio-economic status, parents have a lower level of education, father is a Croatian Homeland War veteran, students with disabilities... check the conditions in the Call for applications!), plus inclusion support if required
+ travel expenses / green travel (carpooling, bus, train, bicycle)

RECEIVING INSTITUTION:

The receiving institution is in charge of the organisation and implementation of the virtual and physical components of mobility.
