

ERASMUS TRAINEESHIP

INTERNATIONAL OPENING

WHAT IS TRAINEESHIP – INTERNATIONAL OPENING:

It is an Erasmus traineeship programme organised in third countries not associated to the Erasmus program.

ABOUT THE ERASMUS TRAINEESHIP PROGRAMME:

The Erasmus traineeship programme can be attended in all third countries.

The traineeship programme is **held full-time**, provided that the sending higher education institution recognises it as part of the study programme. If this is not possible, the completed traineeship will be entered in the Diploma Supplement.

Students can attend the traineeship programme **within one year of completing their studies** (graduation), but they apply for the Call for applications while they have **student status**. In that case, upon completion of the traineeship programme, the Erasmus International Mobility Centre will issue the student with a certificate of the completed traineeship signed by the University of Rijeka Rector.

The student is obliged to find the institution where he/she wants to attend the traineeship programme! The Call for applications published by the University of Rijeka is always open and the applications are processed immediately!

DURATION:

- long-term mobility: 2-12 months
- blended mobility: 5-30 days (physical mobility + virtual component)

WHERE CAN STUDENTS ATTEND THE TRAINEESHIP PROGRAMME?

Traineeship can take place abroad in companies, institutions, organisations and other workplaces.

FINANCIAL SUPPORT:

- EUR 700 per month for long-term mobility
- EUR 79 per day for mobility lasting 5-14 days, EUR 56 per day from the 15th to the 30th day for blended mobility
- additional financial support for students with fewer opportunities (most common categories: low socio-economic status, parents have a lower level of education, father is a Croatian Homeland War veteran, students with disabilities... check the conditions in the Call for applications!)
