

CHALLENGE TEAMS - *SHORT SPEED TERM*

Join a team of international students from different knowledge fields to find innovative solutions to real-life problems in 1 months, guided by mentors.

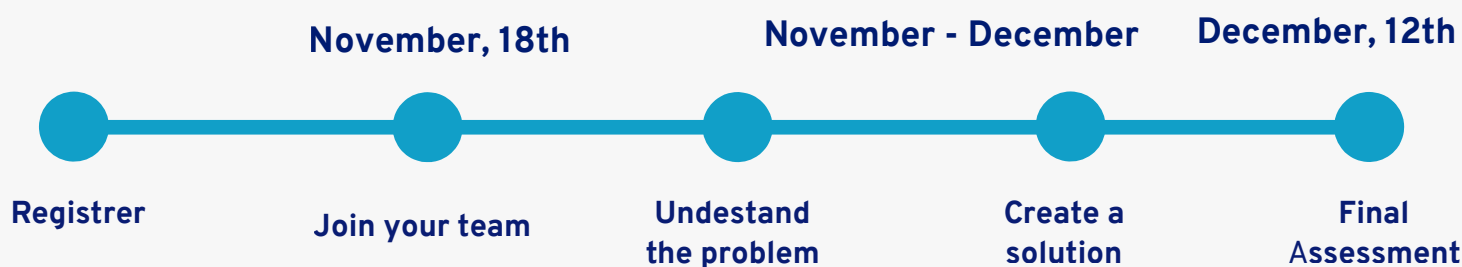

Challenge at your disposal: Enhancing Socio-Cultural Integration for International Students

Why join:

- New international learning experiences
- Gain experience that you can add to your CV
- Soft skills training, design thinking and Agile based methodology

Who can join:

- Any YUFE student (you can apply individually or together with classmates) willing to work in a team and co-create solutions

How does it work?

- Meetings every Tuesday (18/11, 25/11, 2/12, 9/12) at 16:00 CET
- Final event/presentation: 12 December 2025
- Format: online/international, mentor-guided
- Extra: soft-skills training and feedback from experts
